

IBFD is a leading International Tax Knowledge Centre. Its core business is research, publications and education in the area of cross-border taxation and legislation. IBFD has a strong international client base of specifically Fortune 500 companies, governments, international consultancy firms and tax advisers. Within IBFD there are 130 employees, 70 of whom are foreigners from more than 30 countries. In addition to this, the organization is supported by a worldwide network of local authors and correspondents who report on the latest tax changes and trends and are involved in updating our tax publications. IBFD carries out government consultancy projects and its International Tax Academy provides a wide range of courses on international taxation. Founded in 1938 and headquartered in Amsterdam, IBFD also has a local presence in important markets such as North America and Asia.

We currently have a challenging positions for a

Senior Research Associate ITA (Transfer Pricing)

International Tax Academy

The International Tax Academy (ITA) was founded in 1989 and is the IBFD's training centre.
